General Considerations

Uniform checks are held regularly.

- All students at St Francis Xavier Primary are expected to wear the prescribed uniform. If students wear incorrect items of uniform, a note is expected from the parents. If parents are unable to provide items of uniform for their child, they are encouraged to discuss this with the Principal.
- Colour variations will not be acceptable and correctness of uniform will be insisted upon.
- Our school has a policy of 'no hat, play in the shade' to protect the students.
- Clearly label all clothing items. Lost clothing which is un-named and unclaimed at the end of each Term will be sold through the uniform shop.

Second Hand Clothing Pool

Various second hand uniform items may be available at the school at a reasonable cost. Due to the extra cost of maintaining a personalised school uniform, we try to encourage parents to leave any uniforms that are no longer of benefit to them at our Second Hand Clothing Pool. This provides support for all families. Please contact the Office for further details.
